- References

Technical requirements for text formatting:

- Times New Roman Font, size 10, line spacing – 1, margins: 2.0 cm on each side. Width alignment. The page number is at the bottom center of each page.
- Figures should be grouped as one object.
- All figures and tables should have a title: tables must have headings centered above the table field, and each figure must have a title (centered).
- Formulas and mathematical symbols should be centered.
- References should be numbered in the order of their mention in the text.
- Reference citation should be enclosed in square brackets.
- References should be given in the original language. Inclusion in the bibliographic list of sources without references to them in the text is not allowed.

!!! Do not apply any styles to the text, do not use page break
