Accommodation

Accommodation in Zagreb is **NOT INCLUDED in the fee, BUT accommodation in Zadar IS INCLUDED in the fee (4 days/3 nights)**. However, we recommend that students arrange their stay in apartments/homes in Zagreb, which they can find by using the services of our student housing support agency. For more details, please see the attached document (Student Accommodation Package) or visit www.homeinzagreb.com. Students are also free to find their own private accommodation through other agencies.

For students who are on a stricter budget, we can also help arrange accommodation at a public student dormitory which **IS NOT part of ZSEM campus** or institution. Although these dormitories are not located next to ZSEM's campus, they are within 40 minutes of the school by public transportation. The dormitory rooms are smaller in size and standard compared to the apartments/homes and they have shared bathrooms (2 dorms to 1 bathroom) without WIFI connection. In case students would like to stay in dormitory, they need to state this in their application form so that ZSEM staff can coordinate it with the institution offering off-campus dormitory. Price of the dorm is 270 EUR for the entire time of summer school.

Other information

If students require a visa to enter Croatia, they are required to pay the total tuition fee in order to acquire necessary documentation. In case their visa is denied for any reason ZSEM will return the payment after charging 10% of administrative costs. Postage costs are also incurred by applicants. All international students are required to have health & travel insurance from their home country prior to their arrival in Croatia. This type of insurance has to be valid in case any health services will need to be used while staying in Croatia. For students coming from the EU countries their EU health insurance card is valid under the stated terms&conditions.

Any questions and support that students may need prior to arriving and during their stay can be directed to the program coordinators Nikolina Jurjević, njurjevi@student.zsem.hr and Mia Bilogrević, mbilogre@student.zsem.hr .
